Dear Parents/Guardians:

As we approach the beginning of a new school year our thoughts not only turn to a new and exciting academic experience, but also to child safety. Our school system works closely with the Westford Police and Westford Fire Departments to maximize the safety of all children and staff.

On the issue of student safety, I want to make you aware that the Massachusetts Executive Office of Public Safety and Security maintains an up-to-date sex offender website that allows all members of the public to access information on sex offenders living in their respective community. You may access this site at <http://sorb.chs.state.ma.us> or by searching for Massachusetts Sex Offender Registry Board. Local police departments also maintain this information. I encourage you to take a moment to review this information as it pertains to Westford.

This notice is meant to strengthen our communication with each other and work together as a community to ensure the safety and well being of our students and staff.

I look forward to seeing and speaking with you during the upcoming school year.

Regards,
